ANNUAL ASBESTOS NOTIFICATION

Roseville Community Schools have complied with the Asbestos Hazard Emergency Response Act, commonly referred to as AHERA. AHERA provides a framework for addressing asbestos problems in public and private elementary and secondary schools. The regulations provide a comprehensive scheme for schools to access and respond to potential asbestos problems in their buildings. This compliance was carried out by:

1. Having all buildings inspected by an accredited inspector.
2. Developing an asbestos management plan for each school and submitting a copy to the governor.
3. Providing copies of the report and management plan which are on file in each school's administrative offices and can be viewed by any interested party.
4. Re-inspecting all schools every six months.

If there are any questions regarding asbestos in the Roseville Community Schools, please contact John Steenland, Director of Buildings and Grounds at 586-445-5697.

PET POLICY

Many parents walk their children to and from school each day. We are requesting that you **PLEASE NOT BRING YOUR DOG TO SCHOOL OR WAIT ON SCHOOL PROPERTY WITH YOUR PET.**

Animals frighten and alarm some of our parents, children and staff. In the rush at dismissal with crowded walkways and excited children, an accidental biting may occur, even with the most docile of animals.

PRIVACY RIGHTS

Roseville Community Schools will not release personal student records such as grades, attendance or test results without the signature of the parent or the student (if over 18 years of age). However, under the Family Education Rights and Privacy Act (FERPA), the district is permitted to release information which would normally be found in school yearbooks, catalogs or student directories. This could include name, address, phone number, birth date, field of study, honors, awards and general photographs.

If parents object to the release of such information, they must state their objection to the building principal in writing.

NO SMOKING POLICY

A state law prohibits smoking in or on school property. This includes district owned buildings or vehicles and property owned, leased or otherwise controlled by the school district. The law, along with the Roseville Board Policy, seeks to model behavior that supports district curriculum regarding health and safety. Thank you for your cooperation in promoting a healthy environment for our students and employees.

HURON PARK PARKING LOT

We would like to thank parents for their help and cooperation with our parking lot. We have a few general reminders:

1. There is no parking or dropping off of students in the **drive-thru lanes**.
2. When picking up students, please park in designated parking spaces.
3. **Please** do not drop students off on the north side of Marquette to cross over in front of traffic.
